NORTH ISLAND GYM

On the eastern side of North Island, above the swimming pool and nestled into the side of the mountain, is a 10 x 6m air-conditioned gym. This indoor area includes space for stretching, cardiovascular and weight training, while an additional stretching area on the outside deck is also suitable for the yoga enthusiast. Overlooking the aquamarine waters of the Indian Ocean, the facility incorporates a circumference of glass, framing some of the most spectacular views on the Island.
