NORTH ISLAND

Searching for the perfect honeymoon destination? Look no further, and choose the world's elite and A-listers' favourite; North Island within the Inner Island group of the Seychelles.

UNAFFECTED BEAUTY

North Island is the world's most exclusive island and its best kept secret. Its luminous white beaches surround a tropical interior of coconut palms and takamaka trees cradled between three granite outcrops, and surrounded by the azure ocean. The natural and environmentally friendly architecture of North Island works in perfect harmony with this unaffected beauty.

BAREFOOT LUXURY

The philosophy of the resort island is about creating unique moments, memories that last long after a stay has ended, ensuring that each guest's experience is entirely bespoke to them. A truly rare brand that adopts a unique "rough and smooth" concept reflecting the true essence of barefoot luxury. While the island adopts some raw and organic design features, it retains the utmost in refinement and sophistication, epitomising true

luxury. Guests can disconnect from everyday life, relax amidst astonishing beauty, and reconnect with nature, relishing in the island's lack of formal dress code, flexible approach to dining, and abandonment of schedules, all whilst enjoying world-class facilities and service.
