

## Indagare Picks: Romantic Hotels

At Indagare, we believe in the transformative power of travel and that some of the best memories come from person-to-person interactions. Oftentimes, these moments are shared with locals or new acquaintances you meet on the road, but equally significant are the romantic experiences you share with your partner. Whether relaxing on a beach in the [Maldives](#), cherishing cultural exchanges in [India](#) or reading by the fire at a cozy hotel in [Stockholm](#), couples who visit the following Indagare-adored romantic hotels and destinations are guaranteed experiences that lead to lifelong memories.

### For Beach-Loving Duos

Dreamy visions of strolling long stretches of sand to the soundtrack of crashing waves have long equated beaches with romantic vacations. From private isles to glamorous cliffside resorts, these properties lure couples seeking sun and sand.

**North Island, Seychelles:** In a place as unspoiled as the [Seychelles](#) (the country's slogan is "as pure as it gets"), North Island is an exquisite and pampering resort that blends beautifully into the natural landscape. A stay on North Island is all about a glorious return to nature, and couples can enjoy biking, hiking, snorkeling and diving in one of the world's longest coral reefs, nicknamed the '[Galapagos](#) of the Indian Ocean'.
